ADMISSION AND ENROLMENT

This agreement is made between The Opportunity Tree Preschool/Daycare and for the care and supervision of: Subsidized Program Payment (Bananas, Oakland Licensed Childcare links, etc) At The Opportunity Tree Preschool, we focus on providing high-quality early childhood education within our core program. We do not offer additional services beyond our standard educational curriculum and care. Our commitment is to maintain a consistent, nurturing environment that supports the development of all children in our care.

We offer two primary enrollment options to accommodate the diverse needs of our families: full- time and part-time attendance. Full-time enrollment is defined as attendance for three or more days per week, while part-time enrollment is for less than three days per week. To best serve our community and maintain the stability of our classrooms, we reserve the right to prioritize full-time enrollment. This means that in situations where demand exceeds our capacity, we may adjust part- time enrollments to make room for full-time students.

These decisions are made carefully, considering the needs of both the students and the parent community. We strive to balance the individual needs of families with the overall requirements of maintaining a vibrant and sustainable preschool environment.
